Subject: Travel funds for next water quality trading meeting

It looks like the Willamette Partnership will go with the Dec. 2-3 dates for the next meeting, and it will be at the Alderbrook in Union, WA although the notice hasn't been sent out because they are away this week at a meeting in Wisconsin. Please put in a request for travel funds to cover the cost of your lodging (which I'm guessing will be about \$100 + \$10 tax). Meals will be provided by Willamette Partnership (which means we will need to resubmit or revise our travel ethics forms). Bill will also need airfare from Boise.

I know that funds are very tight but we could consider sharing rooms to save money. Another option is that some could just come for the first day and I will work with Bobby and Carrie to get the agenda to focus on the most important topics that day. I think a few of us should stick around for the second day as well, so let's start with what your unit/office is willing to cover, and let me know the answer.
